Apothecaries Hall, London

Client	**The Worshipful Society of Apothecaries**
Services	**Dilapidations / Contract Administration / Building Surveys**
Type	**Historical / Commercial / Office**
Value	**£300,000 (Multiple Projects)**

Pulsar have worked closely with the Worshipful Society of Apothecaries over the last few years and have been involved in various improvement projects to this wonderful and interesting historic building, actually classified as a Scheduled Ancient Monument. Projects have included external preservation & refurbishment, office conversions, defects diagnosis and feasibility planning. We hope our involvement continues for many years to come and are privileged to help keep this building in repair for future generations.
