

Lowndes Square, London

Client	Tandem Property Asset Management
Services	Project Management / Contract Administration
Type	Residential
Value	£500,000

Pulsar were instructed by the managing agents to design, specify and project manage refurbishment of the common parts to five residential mansion blocks in the prime London residential square. The works included liaising with an interior designer to develop a look and feel to meet the client's requirements. The works included plastering, redecoration, carpet renewal and lift door refurbishment.
