Regent House, Redhill

Client	**Aberdeen Standard Investments**
Services	**Dilapidations / Project Management / Contract Administration**
Type	**Offices / Retail / Residential**
Value	**£800,000**

The project involved the Cat A reinstatement of the third floor of the building including the replacement of the air conditioning systems with a new VRF installation, replacement of the ceiling, lighting, and new carpet floor finishes. The WCs were also comprehensively refurbished during the project.
