

# Regent House, Redhill

Client	<b>Aberdeen Standard Investments</b>
Services	<b>Dilapidations / Project Management / Contract Administration</b>
Type	<b>Offices / Retail / Residential</b>
Value	<b>£800,000</b>

The project involved the Cat A reinstatement of the third floor of the building including the replacement of the air conditioning systems with a new VRF installation, replacement of the ceiling, lighting, and new carpet floor finishes. The WCs were also comprehensively refurbished during the project.
